

# Lil Tjay, In My Head

Shawty's like a melody in my head that I can't keep out, got me singin' like  
Na-na-na-na, every day (Lil Tjay)  
It's like my iPod stuck on replay, replay-ay-ay-ay (Ooh, ooh, ooh)

I got some funny feelings in my head and, girl, I don't know what to call it (Call)  
Too iffy and quick, I can't say that it's love, but I know that I want some more of it (More)  
These feelings been stuck in my head, ain't too big on love, but with you, I'm all for it (No)  
See the world, me and you, we can tour it  
Like, fuck all them bitches, ain't shit to ignore it (Oh)  
Daily, you be on my mind, my heart hurt, beat, and bruised from the owner before it (Oh)  
Got a good feeling this time, I been focused on you and I cannot ignore it (No)  
Better than all of them combined  
Shit, nothin' better than callin' you mine (Oh)  
You a ten out of ten, you a dime  
Fuck all the others, leave that shit behind

Have you ever loved a gangster? (No) Got a feelin' that you never did (Nah)  
It's a different type of love, different type of hug, tryna catch it from a kid (Yeah, yeah, yeah, yeah)  
Baby, I can do mad stuff  
And my background and past rough (Rough)  
Takin' shots, got my glass up  
My life started a disaster (Star)  
Lately, minutes just been faster  
Trench Kid preachin' like a pastor  
You been on my mind, shit been out of line, normally, I be on Casper  
Normally, I keep it smooth, called up her like I'm a master  
But it's somethin' 'bout you  
I can't see through

Sidestep, that's my flex, and you gon' die if you keep tryna play games  
All I know is treacherous, fuck around in straight flames  
Hate pain, but it's all through my veins  
Rollin' dope, it go straight to my mind  
I can be feelin' I'm one of a kind  
Can't no one hold me back, how they gon' hold me back? Destined to win, they don't block out my  
Took me a minute, I waited, every year, shit get greater, I'm stuck in my prime  
Still get better, it's way more than fine  
I be the type to just say less and grind
