Ya Digg?

Young money cash money dipset byrdgang

we a team baby (Freaky)

welcome to dipset baby

{Lil? Wayne}

Okay, my leather so soft but don't think I ain't hard

Bitch say Weezy make it rain, I say bitch I ain't God

But I am God's son, but you know I ain't Nas

See, he got a positive aim, and I aim nines

Man, little Weezy got a style that even I can't find

Man, some shit just be so hard, I be like that line ain't mine

And if that is under a gram, then that line ain't mine

And if you niggas talking war, well bitch, it's combat time

Hey, I take three I's to the head: Love, Live, Life, and I'm dead

Young Money, Dipset, that's what this is

And if I ain't good looking, you can bet my bitch is

I done made it off Apple Street like it was 2300 Jackson Street

Young Money, can't join 'em nor beat 'em

Where the f**k is Robin Leech when you need him?

A rich nigga can't even buy freedom

That's why I give my white bitches everything but freedom

I do my white bitches anything but beat 'em

And if they like rat poison, then I'ma feed 'em

I'm sophisticated, fresh from Antarctica my wrist just made it

I'm rich bitch, I ain't broke no more

But I will still chop you up and feed your ass to the poor

I'm 'bout my cream like a s'more

You old ass rappers better stay on tour

You're like 44, I got a 44, I'm 24

I could murk you and come home when I'm 44
