Lil Wayne, Live From 504

Dro fuck with me! Live from the 504 it's Mr. Crazy flow Jumping like a bungee no rope Even in the dungeon I glow Even if ain't sunny I glow If it ain't about money I go Nowhere I'm nailed to the floor Money controls where I go It is the sail to my boat And it's going down it's going down Like there's a whale in the boat See you can smell that I smoke And yep I sip that lean You hit me with that combination that make my eyes bleed I'mma shark in the water yep I swim with the big So I don't have time to deal with willy the squid L-lilly pad niggas l-look at the monster Y-you don't want to crash like la la bamba See it's me on the interey And my new drop is very water-melon plum Just call it fruit punch I'mma old rapper getting new bucks And all you new rappers your just new lunch.
