

Lil Wayne, Navigator Man

Young Moolah Baby
Buckle up sweet heart
Ya see I could get in it like a car and drive it
I said I could get in it like a car and drive it
And take the girl where ever her body desires
I'm the navigator man the navigator man
I take her where she wanna go
I'm the navigator man the navigator man
I take her to the end of the road
I'm the navigator man the navigator man
And I take her where she wanna be
I'm the navigator man check your navigation and you'll find it right here with me
I'm a navigator man with a league of my own
What its like a navigation just leave me own
To the yellow brick roads that runs thru to ya soul
I got an easy pass I ain't worried about the toll
Long Hair dont Care
Mr. Navigator man baby I could take you there
Weezy F no GPS
Ps I kiss north south east west
I'm the navigator man I won't lead you wrong
And if its my turn I put the blinkers on
No rush hour feather cation
You can call me Mr. Final Destination
And your man ain't a boss to me
Navigator man you won't never get lost with me
So tell your man keep hatin
Cause he'll never find me cause he ain't no navigation
Now I could get in it like a car and drive
I said I could get in it like a car and drive
And if you want a rider I could be much more like a provider
And if you want a rider baby I could be much more
I'm a rider baby
I said trace hook me up with a chick named gena
And gena hook me up with a chick named Tina
And Tina hook me up with a chick named kema
And kema hook me up with a chick named fatina
Fatina shes a college girl that drives a black Beemer
And buy my polo white tees and take my clothes to the cleaners
She used to fuck with beans
But now she fuck with the boss
Her parents gave her bad directions n little girl is lost but uh
I could be your on star baby
I could be your GPS
I could keep you open 24 hours like CVS
Oh we could make a movie on CBS
Without hesitation I'll help ya reach your destination
That's only if you let me be you
I'm the navigator man the navigator man
I take her where she wanna go
I'm the navigator man the navigator man
I take her to the end of the road
I'm the navigator man the navigator man
And I take her where she wanna be
I'm the navigator man check your navigation and you'll find it right here with me
I said if you wanna go there
We could go there
If you wanna go there
We could go there
Are we there yet huh are we there yet huh are we there yet
I could get in it like a car and drive
Baby you fly can I be your pilot
I could get in it like a car and drive it
Keep playin I'ma bust your tires

You gotta trust your driver
And baby girl I'm your driver
And I know you say you wanna ride well I won't deny ya
I'm a fucken rider
Baby I could get in it like a car and drive it
I ain't gon lie
I said I could get in it like a car and drive it
And if you wanna rider I could be much more like a provider
I said if you wanna rider baby I could be much more like a provider baby
I'm the navigator man
I'm the navigator man the navigator man
I take her where she wanna go
I'm the navigator man the navigator man
I take her to the end of the road
I'm the navigator man the navigator man
And I take her where she wanna be
I'm the navigator man check your navigation and you'll find it right here with me
