

# Lil Wayne, Outstanding

Mr. D. Carter  
from out tha deep water  
thank the lord for my voice,  
the beat, and the re-carter  
now pick an alphabet  
and your a z and  
while i'm up tryin to be tha best mc and  
now let me in  
I got my key in  
and with them alphabets,  
I never used p-e-n  
but i gotta lotta paper  
but a lot aint enough  
so I gotta knock ya patience  
gotta bring the baking  
straight to the kitchen table  
homie if ya girl pregnant  
you should kiss her naval  
cuz you probably wont live  
to see the mothaf\*\*kin cradle  
ya past left a scar  
and ya future's lookin fatal  
ya can't be sorry  
ya gotta be a savior  
gotta be the bread  
when its soggy, rob the breadmaker  
when they put ya homey to sleep  
its gotta be a wake up  
ya move in tha hood  
then ya gotta meet the neighbors  
Bitch get off me  
bitch get off me  
I'm the little nigga  
known as big homey  
the killas is ballin  
the niggas is targets  
the snitches is talkin  
but this is New Orleans  
I love what i got  
I'm just livin the moment  
I aint dyin just yet  
I take a shit in the coffin  
I already know how to piss in tha toilet  
I'm tryin to get tha pot  
to piss in in the mornin'  
I never fall back  
I run there, go forward  
and when I come through  
ya betta duck like howard  
because i got power  
just like a forward  
I come through the lane  
and straight dunk like Staudi-  
Mire, Amare reminds me of I-uh  
he's a Pheonix sun and I am fire  
dis-re-spect and I spit fire  
til ya neck ?????  
and ya back like khia  
Hey  
now would ya light that blunt  
promethazine please  
now bitch look at me  
like a set of t.v.'s  
I'm just tryin to live out my destiny,

please, let me do me  
I got the recipe, feed  
I'm all about my bread  
like a sesame seed  
big dog talkin, check my pedigree flees (HaHa)  
and I ball like every team  
and i got every girl havin sex with me dream  
My heart is in the dirty  
but the rest of me clean  
I jump for Hollygrove  
like a trampoline fiend  
and I rock ya bells  
like a tambourine bean  
jewelry shinin' like flush  
Maybaine bling  
red Giants jersey if ya know wut i mean  
Gimme Plaxico Burrese, number seventeen  
one circle, three fingers is tha theme  
and young money motha f\*\*ka is tha team
