[Hook - repeat 2X]

Don't let your mouth open up  
Cuz you don't wanna see the handgun open up, no

As soon as you get hot nigga turn to cop  
Ya settin up federal appointments now

We gon mail him his finger when he get out, yea  
Just to show him what we's about  
Never let shit about G'z leave ya mouth, yea
