

LIL YACHTY, pRETTy

Come bust this pussy open

I am so pretty
I feel so pretty
I'm so damn pretty
So pretty, so pretty, so pretty
I feel so pretty

Hmm, hmm, hmm
Let's go to sunset-city, go to sun-city
Woke up on the right side, I feel so pretty
Kiss my girl on her thighs, grab on her titties
I know that they despise, I feel so sexy
If someone say I'm not, must have not met me
Warm you up when it's cold, you call me bestie
Don't test me, I'm too sexy

I am so pretty
I feel so pretty
I'm so damn pretty
So pretty, so pretty, so pretty
I feel so pretty

So pretty, yeah
He like my curly hair
Wrinkle out the crease
I keep a pleated piece
She's a keeper
So I throw out the receipt
Jeepers creepers
Swear these niggas so spooky
Said, I'd die for this pussy, R.I.P.
Didn't lie, that dick put me right to sleep (Put me right to sleep)
Skin so smooth, moisturized That's that cocoa cream
Fuck yeah, you pretty, what am I?

You know?
You've always been my favorite
You've always told me to enjoy my seconds on earth with tea
The most important moments in life aren't when your born and when you die
But when you met me, when we became us
