

Lila , Poison

Got that poison, poison That, That poison

I'll make you fall in love with me.

It's all I regret it when I resign and give up the poison

I am poisonous silicone and herself

Need you in my life abandon if I choose not regret it and the poison I would add is a poison

That bad girl power I got, I'll abuse it tonight

Cause tonight got poison on my mind

That power I got you'll be mine When I stay till real late.!

Got poison on my mind

I got that poison (uh huh), I got that poison (uh huh)

I got that poison, That poison on my mind

I got that poison (uh huh), I got that poison (uh huh)

I got that poison, That poison on my mind

I got that poison, poison That, That poison

I'll make you fall in love with me

I got that poison, poison That, That poison

I'll make you fall in love with me.
