

# Lilian Garcia, You Just Don't Know Me At All

You don't know  
You just don't know me at all

Can you  
Tell me what happened here  
Tell me how I should feel  
When my life seems to be in disarray  
I feel you testing me  
With all your fanasties  
And you tryin' to keep me down  
But I won't stay

Cause you don't know me

I've been through all this hell before  
I've seen it all and more  
If you think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that's not my plan  
Stronger now I see the truth  
You just don't know me at all

You tried to manipulate  
Well now this is your fate  
Cause piece by piece I'm gonna tear you down  
Can't hold the secret now  
Find out what I'm about  
And to think that I would let you have your way

Well you don't know me

I've been through all this hell before  
I've seen it all and more  
If you think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that is not my plan  
Stronger now I see the truth  
You just don't know me at all

Your soul is screaming  
Who's crying now? (who's crying now?)  
Your heart is bleeding  
Who's sorry now!!!

I've been through all this hell before  
I've seen it all and more  
If you think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that's not my plan  
Stronger now I see the truth  
You just  
YOU!  
YOU!

I've been through all this hell before  
I've seen it all and more  
If you think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that's not my plan  
Stronger now I see the truth

You just don't know me at all
