

# Lillian Axe, All's Fair In Love And War

I'm not the kind of man  
Who lets a woman tell me  
Just what I can and cannot do

She came prepared for battle  
And all I had to say was  
'I'd like to spend some time with you.'

Bridge:  
Comin' on shy but I don't know why  
Sure knows what to do  
Bitch gonna stab you in the back  
While she makes love to you

Chorus:  
All's Fair in Love and War  
So what are we fighting for  
All's Fair in Love and War

No one to blame but yourself  
There's no more lies left to tell  
You know I've heard that song before

Now you're too scared to face me  
Afraid of what you may see  
How all is fair in love and war

Bridge  
Chorus  
Solo

And when the battle's over  
You'll find another lover  
I'll be another casualty

Bridge  
Chorus  
(Repeat)
