Lillian Axe, Hard Luck

The hammer falls under the neon skies The city lights reflecting in my eyes

Roll the dice a turn of the wheel It's my turn to call If it weren't for hard luck I'd have no luck at all

Chorus: Hard luck's got a hold on me I bet against the odds Hard luck's comin' down on me It's in the fall of the cards Hard luck

The night's my savior she keeps me in the dark A bad shot it seems I've missed the mark

Like salt in my wounds It burns me up inside Nowhere to run to now Nowhere to hide

Chorus

Solo

Chorus (Repeat)

I got some hard luck It's comin' down to hard luck All I got is hard luck Yeah
