

# Lillian Garcia, You Just Don't Know Me At All

(whisper) You don't know me... You just don't know me at all

Can you tell me what happened here  
Tell me how I should feel  
When my life seems to be in disarray  
I fell you testing me with all your fantasies  
And you try to keep down but I won't stay  
Cause you don't know me

I've been through all this hell before  
I've seen it all and more  
Think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that's not my plan  
Stronger now I see that you  
You just don't know me at all

You tried to manipulate well now this is your fate  
Cause piece by piece I'm gonna tear you down  
Can't hold the secret now find out what I'm about  
Did you think that I would let you have your way  
Well you don't know me

I've been through all this hell before  
I've seen it all and more  
Think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that's not my plan  
Stronger now I see that you  
You just don't know me at all

Your soul is screaming  
Who's crying now? (Who's crying now?)  
Your heart is bleeding  
Who's sorry now?

I've been through all this hell before  
I've seen it all and more  
Think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that's not my plan  
Stronger now I see that you  
You just, you, you!

I've been through all this hell before  
I've seen it all and more  
Think I'm gonna fade away  
You don't know me  
You think you have the upper hand  
Well that's not my plan  
Stronger now I see that you  
You just don't know me at all
