

Lillian Garcia, You Just Don't Know Me At All

(whisper) You don't know me... You just don't know me at all

Can you tell me what happened here
Tell me how I should feel
When my life seems to be in disarray
I fell you testing me with all your fantasies
And you try to keep down but I won't stay
Cause you don't know me

I've been through all this hell before
I've seen it all and more
Think I'm gonna fade away
You don't know me
You think you have the upper hand
Well that's not my plan
Stronger now I see that you
You just don't know me at all

You tried to manipulate well now this is your fate
Cause piece by piece I'm gonna tear you down
Can't hold the secret now find out what I'm about
Did you think that I would let you have your way
Well you don't know me

I've been through all this hell before
I've seen it all and more
Think I'm gonna fade away
You don't know me
You think you have the upper hand
Well that's not my plan
Stronger now I see that you
You just don't know me at all

Your soul is screaming
Who's crying now? (Who's crying now?)
Your heart is bleeding
Who's sorry now?

I've been through all this hell before
I've seen it all and more
Think I'm gonna fade away
You don't know me
You think you have the upper hand
Well that's not my plan
Stronger now I see that you
You just, you, you!

I've been through all this hell before
I've seen it all and more
Think I'm gonna fade away
You don't know me
You think you have the upper hand
Well that's not my plan
Stronger now I see that you
You just don't know me at all
