1.

Im never gonna run
Im never gonna live
Im never gonna hide
oh...

2.

I wait for you hoping the day will come
I wait for you until it feels like forever
and that time was spend on and wishing that you were here
and i hope someday forever wont be so far away
ref.

but right now

24/7

I'll wait

24/7

for you

24/7

I know

24/7

You'll be here

who

You'll be here

3.

sometimes I feel that your not so far away (Your not far away)
this might be true
delusion hide my sight
and I know that visual isn't everything (visual isn't everything)
and i hope someday forever wont be far away
ref.

but right now

24/7

I'll wait

24/7

for you

24/7

I know

24/7

4.

Is there something here?
Will I feel it in the air?
dont know the feeling so give me a sign
I dont know
you dont care
tell me if something's there
be gere for real or just get out of my mind

5.

oh now I see you right infront of me
my thoughts were locked
and I know you had the key
paralyzed again,
the moment's come and gone
now I'm here alone,
watching you walk on
ref.

24/7

I'll wait

24/7

for you

24/7

I know

24/7

24/7

Im never gonna run

Im never gonna live

Im never gonna hide [x2]

oh...

24/7

27/7

oh...

24/7

I'll wait

24/7

I know

24/7

24/7

I'll wait

24/7

for you

24/7

I know
