

Lillix, Get Away

Trying to deceive them, just leave them alone
you don't even know me there's bleach in your bones
Paralyzed, stuck in your lies
taught to despise, oh
Get away, I don't need you anyway, no oh
Get away, I don't need you anyway, no oh oh
Your read is misleading, phony and dry
Your views are deceiving, review your life
Paralyzed, stuck in your lies taught to despise, oh
Get away, I don't need you anyway, no oh
Get away, I don't need you anyway, no oh oh
