

# Lillix, Tommorow

1.

Tomorrow's just another day  
Another way  
To spend my day  
All by myself  
Starin at the tv screen  
Flipping through my magazine  
Everything is unclear  
I need you hear do  
ref.

And i wake up  
Put on my make-up  
Pick up the phone  
Nobody's home  
I need to break out  
Get me some takeout  
Stand inside a crowd  
I wanna scream aloud  
I'll be ok  
I'll be ok

2.

Walking down this winding road  
Rainy days are all I know  
I have hit the ground  
Staring up into the sky  
Countin all the reasons why  
My mind is spinning around  
I need to breath dooo  
ref.

So I wake up  
Put on my make-up  
Pick up the phone  
Nobody's home  
And i need to break out  
Give me some takeout  
Stand inside a crowd  
I wanna scream aloud  
I'll be ok

3.

Get off from the floor  
I just can't take no more  
Leavin' it all behind  
'cause yesterday is gone  
Nah nah nah nah  
Nah nah nah nah  
Nah nah nah oohhh  
Oh, I wake up  
Put on my make-up  
Pick up the phone  
Nobody's home  
And i need to break out  
Give me some takeout  
Stand inside a crowd  
I wanna scream aloud  
I'll be ok  
I'll be ok

Oh, I wake up  
Put on my makeup  
Pick up the phone  
Nobody's home  
And i need to break out  
Give me some takeout  
Stand inside a crowd  
I wanna scream aloud

4.  
I need to break out!!  
Were ok were alright  
Alright, you're okay, it's okay,  
You're all right, whoa,  
We'll be alright,  
We'll be alright  
Tomorrow's just another day  
Another way  
To spend my day
