

Lillix, Tomorrow- Lillix

Tomorrow's just another day
Another way
To spend my day
All by myself
Starin at the TV screen
Flippin through my magazine
Everything is unclear
I need you here do do do

And I wake up
Put on my make up
Pick up the phone
Nobody's home
I need to break out
Get me some take out
Stand aside the crowd
I wanna scream aloud
I'll be ok
Yes, I'll be ok

Walking down this windin road
Rainy days are all I know
I have hit the ground
Starin up into the sky
Countin all the reasons why
My mind is spinnin around
I need to breathe do do do

So I wake up
Put on my make up
Pick up the phone
Nobody's home
I need to break out
Get me some take out
Stand aside the crowd
I wanna scream out loud
I'll be ok

Get up from off from the floor
I, I just can't take anymore
Leavin it all behind
Cuz yesterday's gone

Yeahhh
No nah nah nah
Nah no nah nah
Nah nah no nah
Nah nah nah oohhh

And, I wake up
Put on my make up
Pick up the phone
Nobody's home
I need to break out
Get me some take out
Stand aside the crowd
I wanna scream aloud

I need to wake up
Put on my make up
Pick up the phone
Nobody's home
I need to break out
Get me some take out

Stand aside the crowd
I wanna scream aloud

I need to break out
Get me some take out..
I'll be ok

Tomorrow's just another day
Another way
To spend my day...
