

Lillix, Ultimate

You're the kind of friend
Who always bends when I'm broken
Like remember when
You took my heart and put it back together again

I've been wasting time
With numerous guys but now it's over
Let me tell you why I'm through
I've got someone new who's just like you

[Chorus]
You're it, you're the ultimate
It's automatic I'm sure of it
No lie, so don't even try to tell me that
You're not the guy
'cause I've been waiting all my life
For someone just like you
But you're it, you're the ultimate you

You're the kind of guy
Who's hand in mine
Send shivers, up and down the spine
You took my heart and put it back together again

You're the kind of guy
Who blows my mind
And now it's my turn
You've been right in front of me
Everything I need why didn't I see

[Chorus]
You're it, you're the ultimate
It's automatic I'm sure of it
No lie, so don't even try
To tell me that you're not the guy [2x]
[Second time --> Chorus]
