

# Lily Allen, 22

When she was 22 the future looked bright  
But she's nearly 30 now and she's out every night  
I see that look in her face she's got that look in her eye  
She's thinking how did I get here and wondering why  
It's sad but it's true how society says  
Her life is already over  
There's nothing to do and there's nothing to say  
Til the man of her dreams comes along picks her up and puts her over his shoulder  
It seems so unlikely in this day and age

She's got an alright job but it's not a career  
Wherever she thinks about it, it brings her to tears  
Cause all she wants is a boyfriend  
She gets one-night stands  
She's thinking how did I get here  
I'm doing all that I can

It's sad but it's true how society says  
Her life is already over  
There's nothing to do and there's nothing to say  
Til the man of her dreams comes along picks her up and puts her over his shoulder  
It seems so unlikely in this day and age  
It's sad but it's true how society says  
Her life is already over  
There's nothing to do and there's nothing to say  
Til the man of her dreams comes along picks her up and puts her over his shoulder  
It seems so unlikely in this day and age
