

# Lily Allen, Close Your Eyes

Hey hey  
Hey hey

Baby baby  
You have to say  
That there's something you should know  
When I'm standing there in my underwear  
I know that I let myself go  
But I still feel sexy  
When you undress me  
And whisper in my ear  
Come over here  
Come over here

That spice it up can dress me up  
I'll be anyone you like  
Get my level zone  
Let's get it on  
Come on, ride me like a bike  
I'll be Beyoncé  
Baby say my name  
Tonight you're on my hover  
Baby come over  
Baby come over

Close your eyes  
Baby take off your shirt  
I'ma just hit the lights  
Come and level get you ugh  
I'm gonna hit my ties  
Na na na yeah ka-ching!  
We can do it again  
All over again

I've been in you sit down on my mini bike  
I see you in my mirror  
Ain't no other chick  
Gonna caught my shake  
You know I'll have to kill her  
You know how to use  
That I'm 'bout to lose  
You blow my fucking mind  
Fucking right on behind  
Fucking right on behind

Close your eyes  
Baby take off your shirt  
I'ma just hit the lights  
Come and level get you ugh  
I'm gonna hit my ties  
Na na na yeah ka-ching!  
We can do it again  
All over again

Would you love to do the things you do  
You're everything, you're all my dreams come true  
You know your way, you're like no one else  
Right there  
Like you care  
You're so close, so nearly there  
Ooh yeah!  
Come on now baby, yeah  
Come on now baby, yeah  
Come on baby, right there

Come on baby now, yeah  
Come on baby, yeah  
Come on baby not there  
Come on baby, yeah

Close your eyes  
Baby take off your shirt  
I'ma just hit the lights  
Come and level get you ugh  
I'm gonna hit my ties  
Na na na yeah ka-ching!  
We can do it again  
All over again

Close your eyes  
Baby take off your shirt  
I'ma just hit the lights  
Come and level get you ugh  
I'm gonna hit my ties  
Na na na yeah ka-ching!  
We can do it again  
All over again
