

# Lily Frost, Trouble Wit Clothes

(Verse #1)

Today is not my day,  
my clothes have all shrunk and my stockings have a hole.

(Bridge)

Clothes just aren't my thing so I just laugh  
and don't care, but...

(Chorus)

Trouble with clothes today  
I'm having trouble with clothes today.  
i won't have my way  
when I'm having a problematic clothes dayyyyyyyyy!

(Verse #2)

I can't pull off my jacket  
and I can't find my slippers  
random clothes are the only thing  
that make me want to sing!

(Bridge)

I hate dresses  
they are such messes  
and they make me have...

(Chorus)

(Verse #3)

But tommorow I shall shop  
but then I'll drop  
because my budget is ever thin so...

Ending

I shall pay my clothes awayyyy...(fades)
