

# Limp, Bike Ride

Riding my bike to the store with my friends and comin' out with a blue slurpee  
lighting a match to a fuse and running really fast to get away from 80

hop on your Huffy let's go ride down suicide  
moon walk to beat it with a grass stain and scratch on your knee

state of the art, pistol grip, black joystick I'm gonna kick your ass at Frogger  
Luke Skywalker, Han Solo, light saber I wanna have my way with Leia

hop on your Huffy let's go ride down suicide  
moon walk to beat it with a grass stain and scratch on your knee

hello Commodore and Barrymore  
right foot red and laid out on the floor  
gonna figure out this colored cube  
got a pair of pants that parachute
