

# Limp Bizkit, A Lesson Learned

This pain  
in my stomach  
wont go away.  
I assume  
this is punishment  
from all  
the mistakes ive made.  
In a world where my actions  
speak louder than words.  
In a world where my actions  
speak louder than words  
I know more people than ever before.  
One lesson ive learned from it all.  
Fortune and fame are disguised as your friend  
cuz im lonlier now than ive ever been.  
cuz this pain in my stomach  
won't go away  
i assume this is punishment  
for the mistakes i have made  
in a world where my actions  
speak louder than words
