

# Limp Bizkit, Bring The Noise

Gimme some guitars punk  
Sweet Leth  
Limp Bizkit in the house  
What fucken' house?  
Seattle baby  
Terry Date, Limp Bizkit, Staind  
Bring the noise  
Bass! how low can you go?  
Death row what a brother knows  
Once again, back is the incredible  
The rhyme animal  
The incredible D. Public Enemy number one  
Five-o said "freeze!" and I got numb  
Can I tell 'em that I never really had a gun?  
But it's the wax that the Terminator X spun  
Now they got me in a cell 'cuz my records they sell  
'Cuz a brother like me said "well?"  
Farrakhan's a racist and I think you outta listen to  
What he can say to you what you otta do  
Follow for now power of the people say.  
"Make a miracle, D. pump the lyrical"  
United we stand, all in all, we're gonna win.  
Check it out, yeah y'all, here we go again  
Turn it up, bring the noise!  
I said turn it up!  
Never badder than bad 'cuz the brother is madder than mad  
At the fact that's corrupt as a senator  
Soul on a roll, but you treat it like soap on a rope  
'Cuz the beats in the lines are so dope  
Listen for lessons I'm saying  
Inside music that the critics are blasting me  
For they'll never care for the brother and sisters  
Now across the country has us up for the war.  
We got to demonstrate, come on  
They're gonna have to wait 'till we get it right  
Radio stations I question their blackness  
They call themselves black. but we'll see if they'll play this  
Turn it up, bring the noise!  
I said turn it up!  
Get from in front of me, the crowd runs to me  
My DJ is Lethal dose, we call him Leth you know  
He can cut a record from side to side  
So what, the ride the glide should be much safer than a suicide  
Soul control, beat is the father of our rock' n' roll  
Music for whatcha, for whichin' you call a band man  
Makin' a music abuse it but you can't do it, ya know  
You call 'em demos but we ride limos, too  
Whatcha gonna do? Rap is not afraid of you  
Beat is for Sonny Bono, beat is for Yoko Ono  
Run DMC first said a DJ could be a band  
Stand on it's feet get you out your seat  
Beat is for Eric B. and LB as well, hell  
Records from Fred D still we can rock bells  
Ever for ever, Universal it will sell  
Time for me to exit, Terminator X-it  
Turn it up, bring the noise!  
I said turn it up!  
Bring that fucken' noise, and get the fuck up  
Get the fuck up  
Bring the noise  
Bring it  
Fuck this  
Limp Bizkit  
Fuck this

In the studio  
Fucken Suck ass  
Bring that noise  
Man fuck this  
Terry Date is a fucken pain  
Everybody shut up and turn the fucken' tape off
