

Limp Bizkit, Getcha Groove On (Featuring Xzibit)

Xzibit:

Yes, millenium shit

Limp bizkit, x to the z ,yeah

Bringin' it live to you and yours

Ladies and gentlemen

My homeboy, yo get at 'em, dog

Chorus :

You don't wanna fuck with me today

'Cause a little some somethin didn't go your way

So try not to be like that today

'Cause i'm a real motherfucker from 'round the way (c'mon)

We dont give a fuck when we're rockin' the place

We're only givin' a fuck if you're invading the space

So getcha getcha get your groove on (gotta getcha groove on)

Dont keep us waiting too long (Don't keep us waitin' too long)

Fred Durst:

Don't you treat me like a toy kid

Do you enjoy this?

Every single second i'm alive, i'm a mess

Got these laser beam mic checks

Communicating through the genelec, high tech

Keep you on the run now

Don't wanna be that guy

Every single second i'm alive

I'm alive, i don't understand why

I got your trunk full of candy

and your so high bumping off the sweetness

This is what you need (what you need)

Another little piece of me inside you

'Cause you know that i'll always keep it true (keep it true)

And that's exactly what i do

It's what i do, yeah it's what i do

Chorus:

You don't wanna fuck with me today

'Cause a little somethin somethin didn't go your way

So try not to be like that today

'Cause i'm a real motherfucker from 'round the way (c'mon)

We dont give a fuck when we're rockin' the place

We're only givin' a fuck if you're invading the space

So getcha getcha get your groove on (gotta getcha groove on)

Dont keep us waiting too long (Don't keep us waitin' too long)

Xzibit:

I got breakneck delivery

No time for chivalry

Extraordinary ability

Shit longevity

Dig deep in your soul and find yourself

'Cause mind control could turn y'all to someone else

So fast your head'll probably spin the fuck right off

Me and fred about to go half on microsoft

Them live earning twenty percent

Those little half-assed direct hits aint even making a dent

What an event

Ah hell, Xzibit and Limp

As we attempt to bring home the championship

It's all in the risk

I'll still lead the league and assist

Give me the fifth

I'm drinking while i'm taking a piss, bitch

Chorus:

You don't wanna fuck with me today

'Cause a little somethin somethin didn't go your way

So try not to be like that today

'Cause i'm a real motherfucker from 'round the way (c'mon)

We dont give a fuck when we're rockin' the place
We're only givin' a fuck if you're invading the space
So getcha getcha get your groove on (gotta getcha groove on)
Dont keep us waiting too long (Don't keep us waitin' too long)
Xzibit:
I got untapped material
I serial kill shit
Give me that real shit
X finish 'em off quick
Makin' your jaw split when i'm touching the mosh pit
Constant conflict knockin' faggot's unconscious
Nauseous
Raisin' the stakes
Increasin' the weight
Got homies that can lay down and lift the plate
So quit tryin' to invade my space
Before i call for a face-to-face and got to rest my case
Like
Fred Durst:
This is how we do it
Just recognize we keep gettin' right to it
Lookin' into these eyes
Lookin' into these eyes and you'll see the size of the flames
Then you might despise the size of my game
Step the fuck back!
Xzibit's on the track
You should have buckled up before your head hit the dash
You gotta hate that
A demo from an eight-track
Brought me to a place
Where platinum comes in eight stacks,bitch
Chorus:
You don't wanna fuck with me today
'Cause a little somethin somethin didn't go your way
So try not to be like that today
'Cause i'm a real motherfucker from 'round the way (c'mon)
