

# Limp Bizkit, He Said She Said

Its just one a those days when you dont wanna wake up  
Everything is fucked, everybody sucks  
You dont really know why, but you wanna justify  
Rippin someones head off  
No human contact, and if you interact your life is on contract  
Your best bet is to stay away mother fucker  
Its just wanna those days

REFRAIN:

Its all about the he said she said bull shit  
I think you better quit, lettin shit slip  
Or youll be leavin with a fat lip  
Its all about the he said she said bull shit  
I think you better quit, talkin that shit  
Its just one a those days  
Feelin like a freight train  
First one to complain, leaves with a blood stain  
Damn right, Im a maniac  
You better watch your back  
Cuz im fuckin up your program  
And if you feel stuck up, you just mucked up  
Next in line to get ffucked up,  
Your best bet is to stay away mother fucker  
Its just one of those days

REFRAIN

So come and get it  
I feel like shit  
My suggestion is to keep your distance  
Cuz right now Im dangerous  
We've all felt like shit, been treated like shit  
All those mother fuckers  
That wanna step up  
I hope you know im like a chain saw  
I'll skin your ass raw  
Aand if my day keeps goin this way I just might  
Break something tonight (2X)  
Im like a chainsaw  
I'll skin your ass raw  
And if my day keeps goin this way I just might  
Break your fuckin face tonight  
Gimmie somethin to break (3X)  
How bout your fuckin face  
I hope you know Im like a chainsaw (what)  
A chainsaw (what)  
A mother fuckin chainsaw (what)  
So come and get it  
REFRAIN
