

Limp Bizkit, Nookie (Clean Version)

Check, one one, two

I came into the world as a reject
Look into these eyes
Then you'll see the size of the flames
Dwellin' on my past
It's burnin' on my brain
Everyone that burns has to learn from the pain
Hey, I think about the day
My girlie ran away with my pay
When fellas came to play (play)
Now she's stuck with my homies that she f*****
And I'm just a sucka with a lump in my throat

Hey
Like a chump, hey (repeat 7x)

Should I be feelin' bad?
Should I be feelin' good?
It's kinda sad, I'm the laughin' stock of the neighborhood
And you would think that I'd be movin' on
But I'm a sucka like I said
F***** up in the head, not!
And maybe she just made a mistake
And I should give her a break
But my heart will ache either way
Hey, what the hell, what you want me to say?
I won't lie, that I can't deny

Chorus (repeat 2x):

I did it all for the nookie, c'mon
The nookie, c'mon
So you can take that cookie
And stick it up your.. yeah!
Stick it up your.. yeah!
Stick it up your.. yeah!
Stick it up your

Why did it take so long?
Why, did I wait so long, huh?
To figure it out, but I did it
And I'm the only one
Underneath the sun who didn't get it
I can't believe that I could be deceived
By my so-called girl, but in reality
Had a hidden agenda
She put my tender, heart in a blender
And still I surrendered

Hey
Like a chump, hey (repeat 7)

Repeat Chorus (2x)

I'm only human
It's so easy for your friends to give you their advice
They'll tell you, just let it go
It's easier said than done
I appreciate it, I do, but
Just leave me alone
Leave me alone
Just leave me alone
And nothing gonna change

You can go away
I'm just gonna stay here
And always be the same

Repeat Chorus (2x)
