

Lina, Im Not The Enemy

I don't, know you
Don't know those melancholy eyes I see
Do you even know me?
Your scent is familiar
Your voice familiar, but those words you speak,
Are not familiar to me

Hook
You can't love nobody, unless you love yourself
Don't take it out on me baby
I'm not the enemy
Are you the man i love, the man i know loves me
Come on talk to me boy
I'm not the enemy

Your worries. your stress
Are both the root of your unhappiness
Fueled by insecurities
The pressures of being a man is hard
Don't think I don't understand
Put a little faith in me

Hook
You can't love nobody, unless you love yourself
Don't take it out on me baby
I'm not the enemy
We can't be happy until your happy with yourself
Come on talk to me boy
I'm not the enemy

Oooooohhh what I feel is unconditional
I love you at your best and at your worst
Don't shove me out
I'm here for you, I'm on your side

ummmhhuuhhhhuuuuummmmmmmhuhhhh

Hook
You can't love nobody, unless you love yourself
Don't take it out on me baby
I'm not the enemy
Are you the man i love, the man i know loves me
Come on talk to me boy
I'm not the enemy

You can't love nobody, unless you love yourself
Don't take it out on me baby
I'm not the enemy
We can't be happy, until your happy with yourself
come on talk to me boy
I'm not the enemy
