

Lincoln Brewster, You Alone

I get down on my knees and pray
I'll honor You in every way
'Cause now is the time to worship
And now is the time to life Your name

CHORUS

You alone are worthy
You alone are worthy
You alone are worthy
To be praised

You are my Father I am Your son
I lift my voice to the Holy One
'Cause now is the time to worship
And now is the time to lift Your name

(Repeat Chorus)
