

Linda Davis, He Isn't My Affair Anymore

I guess she's doing something right
I seldom see him out at night
Sure isn't like it used to be
Why should it mean a thing to me
What makes you think that I would even care
He isn't my affair
I haven't seen him for some time
But so what is that a crime
Well if I had to guess I'd say
It's been twelve nights to the day
I hope that isn't pity in your stare
He isn't my affair
He isn't my affair anymore
We're not that "quite the pair" we were before
And yes he's still the one that I adore
But he isn't my affair
I didn't say I wasn't sad
But then again it's not so bad
Sure my heart still feels the ache
But I hear his name and I don't break
The pieces are so small that I don't dare
And he isn't my affair
He isn't my affair anymore
We're not that "quite the pair" we were before
And yes he's still the one that I adore
But he isn't my affair
