

# Linda Ronstadt, I've Had Enough

written by Kate McGarrigle  
1981 Garden Court Music

Love it's not I  
Who didn't try  
Hard enough  
Hard enough  
And this is why  
I'm saying goodbye  
I've had enough  
I've had enough

Love you don't see  
The pain in me  
That's plain enough  
Plain enough  
You're never here  
To catch the tears  
I cried for us  
I cried for us

I'll take my share  
But I'll be fair  
There's not much stuff  
Easy enough  
And if you choose  
I'll break the news  
This part is tough  
So very tough

I've tried and tried  
To put aside  
The time to talk  
But without luck  
So I'll just pin this note  
Within your coat  
And leave the garden gate unlocked

And this is why  
I'm saying goodbye  
I've had enough  
I've had enough
