

# Linda Ronstadt, Lessons In Love

I'm not proud, I was wrong  
and the truth is hard to take  
I felt sure we had enough  
but our love went overboard  
lifeboat lies lost at sea  
I've been trying to reach your shore  
waves of doubt keep drowning me

All the dreams that we were building  
we never fulfilled them  
could be better, should be better  
for lessons in love

For restless eyes egos burn  
and the mold is hard to break  
now we've waded in too deep  
and love is overboard  
heavy hearts token words  
all the hopes I ever had  
fade like footprints in the sand

All the homes that we were building  
we never lived in  
could be better, should be better  
lessons in love  
if we lose the time before us

the future will ignore us  
we should use it, we could use it, yeah  
lessons in love  
lost without love

Lessons in love  
when will you ever learn  
lessons in love  
when there's nowhere left to turn  
lessons in love  
don't let your spirit burn  
lessons in love  
I'll wait 'till you return

All the dreams that we were building  
we never lived them  
we could lose it, we should use it  
(lessons in love) lessons in love  
all the homes that we were building  
we never lived in  
could be better (could be better), should be better  
lessons in love  
if we lose the time before us  
the future will ignore us  
we should use it, we could use it (good god)
