Baby when you're down  
I'll be around  
Baby when you're lost  
I'll be your found  
When the night is long  
I'll be the crack of dawn  
Baby when you take a shot  
I'll be your sweet spot  
Baby when you need to float  
I'll be your lifeboat  
When you want to play along  
I'll be your Mah Jong  
When you've done your best  
I'll be your day of rest  
Baby when you take a shot  
I'll be your sweet spot  
I'll be your sweet spot

Baby when you're falling off your feet  
Out on a road that's rough and steep  
And you're looking for a state of grace  
I'll be your leap of faith  
Baby when you're growing old  
I'll be your solid gold  
When your ship don't come in  
I'll be your thick and thin  
When your love is blind  
I'll be your walk the line  
When you've given all you've got  
I'll be your sweet spot
