Linda Ronstadt, The Dark End Of The Street

PERCY SLEDGE - DARK END OF THE STREET At the dark end of the street that is where we always meet hiding in shadows where we don't belong living in darkness, to hide alone You and me, at the dark end of the street You and me I know a time has gonna take it's toll we have to pay for the love we stole It's a sin and we know it's wrong Oh, our love keeps going on strong Steal away to the dark end of the street You and me They gonna find us, they gonna find us They gonna find us love someday You and me, at the dark end of the street You and me When the daylight all goes around And by chance we're both down the town Please meet, just walk, walk on by Oh, darling, please don't you cry You and me, at the dark end of the street You and me
