

# Lindi Ortega, Beautiful Boys

All the beautiful boys  
Not one for me  
How could that be?  
How could that be?

Was I not pretty enough?  
Pretty enough for you  
I'd do anything thing for you  
Anything that you want me to

Beautiful Boys  
Beautiful Boys  
Beautiful Boys

Not even one  
Not one for me

All the beautiful boys  
Not one that I could have  
It makes me so very sad  
Cause I wanted him so bad  
But I wasn't pretty enough  
Pretty enough for you  
I should have worn bigger shoes  
Or dressed up in the color blue

I should have been a sailor  
You could have been my man  
I would have been your soldier boy  
Playing drums in the band

All the beautiful boys  
I feel invisible  
They're so irresistible  
If only I were a boy.
