

Lindi Ortega, Hard To Love

Didn't I come for you when you were all alone?
Didn't I pick you up and take you all the way back home?
Didn't you say how I was always coming through?
And this is all the thanks I get for being good to you
I would have done anything so that I could make you see
That I'm the one who's right for you so you should lean on me
But there is only so much of your weight that I can take
The only heart that falls for you is one that you don't break

I don't know
I don't care
Why must love be so unfair?
You give an inch
You take a mile
Then you treat me like a child
Some you win
Some you lose
Tell me what I'm supposed to do
Why is it so hard to love you?

Didn't I wait up all night and worry about you?
Didn't you come home with some crazy lame excuse?
I would have believed it if it weren't for her perfume
Why am I so hypnotized by everything you do?

I don't know
I don't care
Why must love be so unfair?
You give an inch
You take a mile
Then you treat me like a child
Some you win
Some you lose
Tell me what I'm supposed to do
Why is it so hard to love you?

I don't know
I don't know
I don't know
I don't know
