

# Lindi Ortega, Oh Dear

Well I'm standing in the rain  
And I think I missed my train  
And I'm late for work again  
Oh dear

And my baby's gone away  
So he won't come to save the day  
Don't have a penny to my name  
Oh dear

Just when I thought  
It wasn't getting any worse  
And now it looks like I am cursed  
Oh dear

Just when I thought  
I wonder what else could go wrong  
I think my sanity is gone  
Oh dear  
Oh dear  
Oh dear

Well my head began to hurt  
I spilled my coffee on my shirt  
I took a tumble in the dirt  
Oh dear

And I think I broke my knee  
Cause I can't stand up on my feet  
You got me lying here in the street  
Oh dear

Just when I thought  
I wonder what else could go wrong  
I think my sanity is gone  
Oh dear  
Oh dear  
Oh dear

And the kid said you got it rough  
I said I know there kid looks like I got bad luck  
Sometimes you gotta shake it off  
When it looks like you got bad luck  
And the man said you got it rough  
I said I know there man looks like I got bad luck  
Sometimes you gotta shake it off  
When it looks like you got bad luck

Oh dear  
I think its clear my dear  
Oh dear  
Oh oh oh  
Oh oh oh  
Oh dear
