

Lindsay Pagano, Everything You Are

All I need
Is everything you are

Love can be complicated
Too often mistranslated
One word for all dynamics
Leads to problematic

Emotions and affections
Feelings in all directions
Sometimes a simple action
Creates satisfaction

And as long as you are mine
I will take the time
To let you know what I feel 'cause

All I need
Is everything you are, complete
And if you ever fall
I'll be here standing in the shadow of my heart

Cherish this constant chatter
My game's over matter
I'm not looking for suggestions
More answers
To my questions

I speak in hugs and kisses
Cause true love never misses
I will lead or follow
To be with you tomorrow

There's nothing you can ever say boy
To make me walk away
And as long as you are mine
I will take the time
To let you know ... what I feel 'cause

All I need
Is everything you are, complete
And if you ever fall
I'll be here standing in the shadow of my heart

That this love is real

All I need
Is everything you are, complete
And if you ever fall
I'll be standing in the shadow of my heart

All I need
Is everything you are, complete
And if you ever fall
I'll be here standing in the shadow of my heart

All I need
Is everything you are, complete
And if you ever fall
I'll be here standing in the shadow of my heart
