

Lindsay Pagano, Romeo

Lost in emotion
Deep in ur ocean of lies
Foolish me, almost didn't see
Ur honesty disguise

Cuz ur words sputter out in ball of confusion
That gives the illusion that u mite be sincere
But ur not really here
Cuz ur mind's in the gutter and I'm not that stupid

Romeo, lay down ur ego
Cuz deep inside is a color u can't hide
Who u r is the way u speak of others
No, I'm not ur lover
I'm just a girl u lied 2, 4 the last time

Mercy me, I'm hearing the stories
About a place I've never been
Wut were u thinkin'?
Is ur life sinkin'?
Is this the way u treat ur friends?

Cuz it feels like emotional breakdown from sumbody
Livin' in a dream world
Wishin' on Juliet, hasn't got a dime yet
Fishin' 4 lines, u sound so tired

Romeo, lay down ur ego
Cuz deep inside is a color u can't hide
Who u r is the way u speak of others
No I'm not ur lover
I'm just a girl u lied 2, 4 the last time

And the words that u say that u say that u say
They just get in the way in the way in the way
of bein' for real

Romeo, lay down ur ego baby
cuz deep inside is fool u can't hide
Who u r is the way u speak of others
No, i'm not ur lover
I'm just a girl u lied 2, 4 the last....time
