

Lindsay Pagano, So Bad

There is a pain inside my heart
you mean so much to me
boy i love you yes i love u so bad
and if u leave the pain will go but thats no good to me
boy i love u yes i love u so bad

well it feels so good
sometimes it feels so bad
this is worse than anything ive ever had

there was a pain but now ur near
and i don't fear a thing
boy i love u yes i love u so bad
boy i love u yes i love u so bad

well it feels so bad
this is worse then anything ive ever had

there was a pain but now ur here and i don't fear a thing
cuz i love u yes i love u so bad
boy i love u yes i love u so bad
i love u yes i love u so bad
