

Lindsay Robins, Time Bomb

I'm a timb bomb ready to explode
Stand back it's an emergency
I'm a siren ready to go off
Gonna scream if you get near me

You rejected me
So I rejected everything
I know you wanna talk
I don't wanna talk at all

No, no, don't just stand there
Get out of my way
No, no, I can't hear a word you say
I'm gonna do it anyway
No, no, I'm not stupid
I'm just angry
No, no, I don't believe a word you say

I'm a lost cause forget about me
Oh no you don't have to teach me
How to lose control fall on my knees
I already know
And it's to late to stop me

You rejected me
So I rejected everything
I know you wanna talk
I don't wanna talk at all

No, no, don't just stand there
Get out of my way
No, no, I can't hear a word you say
I'm gonna do it anyway
No, no, I'm not stupid
I'm just angry
No, no, I don't believe a word you say

(I'm gonna do it anyway)

You rejected me
So I rejected everything
I know you wanna talk about it
I don't wanna talk at all

No, no, don't just stand there
Get out of my way
No, no, I can't hear a word you say
I'm gonna do it anyway
No, no, I'm not stupid
I'm just angry
No, no, I don't believe a word you say
No, no, don't just stand there
Get out of my way
No, no, I can't hear a word you say
I'm gonna do it anyway
No, no, I'm not stupid
I'm just angry
No, no, I don't believe a word you say

(I'm gonna do it anyway)
I'm a timb bomb
