

# Lindsey Buckingham, Countdown

Written by Lindsey Buckingham.

I'm waiting on the countdown  
Sitting in the shade  
Things about to turn around  
How the madness fades  
Oh, I've been waiting on the countdown  
Things about to turn around  
And now I'm out of the lost and found  
Just waiting on the countdown  
Time slips away  
Oh, this feeling lingers  
Right here I'm going to stay  
I've been waiting on the countdown  
Things about to turn around  
And now I'm out of the lost and found  
Just waiting on the countdown  
So I'm sitting in the shade  
Under the dreaming tree  
Now the madness fades  
Right here I'm going to be  
Oh, I've been waiting on the countdown  
Things about to turn around  
And now I'm out of the lost and found  
Just waiting on the countdown
