

Lindsey Buckingham, Wrong

Written by Lindsey Buckingham and Richard Dashut.

Everybody's heard it
How everything went wrong
Advance was spent some time ago
Agent's on the phone
Young Mr. Rockcock
Where do you belong?
The man ain't got no answer
Leisure line to heaven
Puttin' on the hits
Here we have another
Another piece of glitz
Young Mr. Rockcock
Where do you belong?
The man ain't got no answer
The man just got it wrong
Looking through the keyhole
Did I see another
Piggy in the middle
Piggy on the cover
Young Mr. Rockcock
Where do you belong?
The man ain't got no answer
The man just got it wrong
