

Line Life, I hate him

1: I hate him already, I hate him.
Mum have already enough, it enough.
I believed, that there will be, but I was mistaken.
Have believed I so why it? He duped me all the time!
Other somebody can find, better than him.
He has betrayed me and let's it does not respond for I!
R: I hate him already, I hate him.
It mum have already enough, it enough!
Mum have hope that I will forget about it already at the end.
That I will not remember
he warm word already. I hate him.

2: Why I look so, take care
I this relationship? But he has convened me.
It can not be already so!
I must change it at the end!
I will not be attached for it already!
Somewhere mum have him!
Other somebody can find, better than him.
He has betrayed me and let's it does not respond for I!
R: I hate him already, I hate him.
It mum have already enough, it enough!
Mum have hope that I will forget about it already at the end.
That I will not remember
he warm word already. I hate him.
