Linkin Park, Bleed It Out

Yeah here we go for the hundredth time Hand grenade pins in every line Throw 'em up and let something shine Going out of my fuckin' mind Filthy mouth, no excuse Find a new place to hang this noose String me up from atop these roofs Knot it tight so I won't get loose Truth is you can stop and stare Run myself out, and no one cares Dug the trench out, laid down there With a shovel up out of reach somewhere Yeah, someone pour it in Make it a dirt dance floor again Say your prayers and stomp it out When they bring that chorus in

I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away Just to throw it away, just to throw it away I bleed it out.

Go, stop the show Choppy words and a sloppy flow Shotgun opera, lock and load Cock it back and then watch it go Mama help me, I've been cursed Death is rolling in every verse Candy paint on his brand new hearse Can't contain him, he knows he works Fuck this hurts, I won't lie Doesn't matter how hard I try Half the words don't mean a thing And I know that I won't be satisfied So why try ignoring him? Make it a dirt dance floor again Say your prayers and stomp it out When they bring that chorus in

I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away Just to throw it away, just to throw it away I bleed it out, I've opened up these scars I'll make you face this I pull myself so far I'll make you face, this, now

I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away Just to throw it away, just to throw it away

I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away I bleed it out, digging deeper just to throw it away Just to throw it away, just to throw it away

I bleed it out I bleed it out I bleed it out.
