

Linkin Park, Hardly breathe

[Hydroponikz]:

I can't seem to focus, it's hopeless unless the sky opens
Look you in the eyes and all I see is a blur hoping
That my previous mindstate, could be resurrected
To the old me; it's like you had me injected with imperfection
How could you be so reckless? I initially meant it
Seems like you put your effort into me, what am I left with?
Nothin' but a canvas with a black and white portrait
Of me and you, in a burnin' garden of scorchin' orchards
Simple beauty that's bein' torn down by your power
That constantly pounds on my soul hour after hour
Now I can hardly breathe, get rid of these memories
Continually haunting me, can't change who I've come to be
The darkness only ends as soon as you open your eyes
And you hope to realize that hope is cloaked in disguise
Again I look you in the eyes and all I see is a blur
But when I look in the mirror I can see who you were

[Chester Bennington (Linkin Park)]:

Nothing I can say or do
Will take away what I've been through
What you were is what I've come to be
Nothing you can say to me
Will take away these memories
What you were is what I've come to be.

The sky opens wide, to swallow me again,
Once I am inside, I'm lost and can't pretend
These pictures in my mind, are not a part of me
These memories hold me tight, til I can hardly breathe

(breathe, breathe, breathe, breathe, breathe)
I can hardly breathe (breathe, breathe, breathe, breathe, breathe)
I can hardly stop the memories (ha ha ha ha oh-yea)

Nothing I can say or do
Will take away what I've been through
What you were is what I've come to be
Nothing you can say to me
Will take away these memories
What you were is what I've come to be.

[Hydroponikz]:

Hardly breathe
Memories
Haunting me
Come to be
(x2)

Now I can hardly breathe
Get rid of these memories
Continually haunting me
Can't change who I've come to be
(x2)

[(Chester) / Hydroponikz]:

[(I can hardly breathe.....)
Now I can hardly breathe
Get rid of these memories
Continually haunting me
Can't change who I've come to be (x2)]
(I can hardly stop the memories..)
Now I can hardly breathe
Change who I've come to be

Nothing I can say or do
Will take away what I've been through
What you were is what I've come to be
Nothing you can say to me
Will take away these memories
What you were is what I've come to be.
