

# Linkin Park, In My Remains

Separate, sifting through the wreckage  
I can't concentrate, searching for a message  
In the fear and pain, broken down and waiting  
For the chance to feel alive

Now in my remains  
Are promises that never came  
Set the silence free  
To wash away the worst of me

Come apart, falling in the cracks  
Of every broken heart, digging through the wreckage  
Of your disregard, sinking down and waiting  
For the chance, to feel alive

Now in my remains  
Are promises that never came  
Set the silence free  
To wash away the worst of me

Like an army, falling  
One by one by one  
Like an army, falling  
One by one by one  
Like an army, falling  
One by one by one  
Like an army, falling  
One by one by one

Now in my remains  
Are promises that never came  
Set the silence free  
To wash away the worst of me

Like an army, falling  
One by one by one  
Like an army, falling  
One by one by one
