## Linkin Park, In My Remains

Separate, sifting through the wreckage I can't concentrate, searching for a message In the fear and pain, broken down and waiting For the chance to feel alive

Now in my remains Are promises that never came Set the silence free To wash away the worst of me

Come apart, falling in the cracks Of every broken heart, digging through the wreckage Of your disregard, sinking down and waiting For the chance, to feel alive

Now in my remains Are promises that never came Set the silence free To wash away the worst of me

Like an army, falling One by one by one Like an army, falling One by one by one Like an army, falling One by one by one Like an army, falling One by one by one

Now in my remains Are promises that never came Set the silence free To wash away the worst of me

Like an army, falling One by one by one Like an army, falling One by one by one
