Linkin Park, It's Going Down

I knew I was being threatened Do you think it's worth holding out? I mean I've heard some pretty ugly things about those guys Ugly stories

Watch them flee
Watch them flee
Rap up
Watch them flee
Hip-Hop hits
And you do it like this

It's going down

The rhythm projects 'round the next sound
Reflects the complex hybrid dialect now
Detect the mesh of many elements compressed down
The melting pot of a super-future X-style
The combination of a vocal caress
With lungs that gasp for breath
From emotional stress
With special effects
And a distorted collage
Carefully lodged between beats of rhythmic barrage

[Pre-Chorus:]
It's going down
The logical progression on a the timeline
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey
Now it's going down

[Chorus:]
Put it out for the world to see
LP and X-Men to the 10th degree (It's goin down)
Nobody in the world is safe
When we melt down the wax in your record crate (It's going down)

Once again it is Composed sentences all together venomous The four elements of natural force Projected daily through the sound of the source Everybody on board with this blend The sword with the pen The mightiest is the weapons Swinging right from the chin The elevate of mental states Long gone with the wind To defend men for shoddy imitation pretends It's going down Stalence emulation readily Trekking through the weaponry Of the pure pedigree Cleverly seeing through whatever is ahead of me Whatever the weather be We invent the steadily It's going down to sub-terrestrial high I rhyme regiment that's calling the shots Execution of collaborative plots Ready to bring the separation of style to a stop

[Pre Chorus:] It's going down

A logical progression on a the timeline
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey
Now, it's going down

[Chorus:]
Put it out for the world to see
LP and X-Men to the 10th degree (It's goin down)
Nobody in the world is safe
When we melt down the wax in your record crate

It's going down
X-men 'bout to blast of world wide
Yo it's request only
X- men 'bout to blast of world wide
It's built from scratch
Album in stores soon
'Bout to blast off world wide
And you do it like this

(It's going down)
Put it out for the world to see
LP and X-Men to the 10th degree (It's goin down)
Nobody in the world is safe
When we melt down the wax in your record crate (It's going down).
