## Linkin Park, Never gonna happen

| U might as well | l quit while your at it | t U aint going no | where I feel so h | nollow inside And | its all your fau |
|-----------------|-------------------------|-------------------|-------------------|-------------------|------------------|
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
|                 |                         |                   |                   |                   |                  |
